Unique Mallorca Real Estate, Live Happily Ever After

Son Ferrer Area Information

"Cosmopolitan Living in Son Ferrer

Son Ferrer is a residential area, situated between El Toro and Magaluf and is a completely self-contained little town, with a little high street containing banks, a supermarket and a range of lovely restaurants and bars.

Son Ferrer is surrounded by forests of pine and is adjacent to farmland and part of it also backs on to Santa Ponsa Golf Course and is a bustling little community with a real mix of Mallorcans and expatriates alike. There are many apartments around the town and also a large number of traditional Mallorcan Villas as well as some large newly built Villas.

Being a residential area, one does not notice the change here from winter to summer as there is no large influx of tourists to the area in the summer season, however for those of you seeking an action packed resort, the neon lights of Magaluf and all it has to offer are only a few minutes' drive away.
