Finca en alquiler en Cala Sant Vicenç, Pollença

This is a lovingly restored family farmhouse nestled in three acres of land yet less than two kilometres from one of the most beautiful beaches on the island, Cala San Vicente which is near to the sophisticated and upmarket resort of Puerto Pollensa.

The cove of San Vicente is a charming place to relax by day or night, with pure golden sand, azure crystal waters and a whole host of good restaurants.

This amazing finca feels like a home from home with everything one would need for a fabulous family vacation.

Welcome to paradise

There´s a fully equipped kitchen with gas hob and electric oven, dishwasher and fridge/freezer; a utility area is beyond with washing machine and dryer.

There is a separate sitting room with exposed stone walls and stairs leading up to a mezzanine. Set within 3 separate buildings, this is a great place to come with the whole family as large enough for a huge get together with lots of fun and laughter but with plenty of private areas set over the 3 separate buildings.

Enjoy catching up throughout the various sitting areas both inside and out and relax in the pretty gardens and a large al fresco dining and barbecue are for entertaining friends and family.
