Unique Mallorca Real Estate, Live Happily Ever After

Calvià Village Area Information

Sprawling Estates and Rustic Charm in the Richest Municipality in Spain

Until fairly recently this was a rather unassuming little country town, however when many tourists discovered its idyllic charm and character and being so close to the coastal resorts, it became a hugely popular choice with the wide mix of Europeans who now choose to live there and it is now said to be the richest municipality in the whole of Spain.

Country Walks and Sporting Pursuits

Home to the region's town hall and administrative offices, Calvia also boasts a sports stadium and an Olympic size swimming pool. There is also a traditional market every Monday. Pretty countryside and fine country walks are literally minutes away with no need to drive out to find the perfect spot for rambling.
