Costa de la Calma Area Information

Serenity, Sea Views and Sunsets in Costa De La Calma

Costa de la Calma, is situated just on the outskirts of Santa Ponsa, in the south West of Mallorca and is a largely residential area, but also very popular with many Europeans choosing a holiday home.

The literal translation of the name is the “calm coast” and this is an extremely worthy label of this idyllic and tranquil area, just tucked around the corner from the hustle and bustle of the nearby tourist resorts of Santa Ponsa and Paguera. When one sees the natural beauty of the area you will certainly appreciate that this lovely area would indeed create an ambience of calm and inner peace and if you are ever along this coastline around sunset you will know that this is perhaps one of the best spots on the island to witness this daily spectacle with dramatic bursts of orange and red lighting up the sky which once seen, will never be forgotten.
