The site has the benefit of fully authorized building licenses which allows the villas as illustrated to be completed to the design shown.

Unlike many plots in Camp De Mar upon completion of the construction the villas can be occupied, as all appropriate documents will be issued by the council without delays of having to wait for the infrastructure works.

The proposals illustrate alternative designs that may be considered for the plot, or if preferred the buyer can commission their own design.

Unique Mallorca Real Estate, Live Happily Ever After

Camp de Mar Area Information

This charming little town in South west of Mallorca, close to Andratx, is a purpose-built holiday resort, however it's far removed from the pumping nightclubs and the usual array of late night bars in some of the South West's resorts. This elegant beach resort is surrounded by small, exclusive hotels and is popular with the well-heeled and social elite who flock here during the summer months.

Camp de Mar has also been a hot-spot for many celebrities, most notably Claudia Schiffer who once owned a home here. Despite later development, the resort remains a quieter destination for laid-back holiday-makers who want to enjoy the beach and stunning scenery.

Fine Sandy shoreline and turquoise waters... The main attraction of Camp de Mar is the sophisticated ambience and the gorgeous fine golden sandy beach which fringe the calm shallow waters all set within the drama of the rugged coastline that bequeaths this corner of the island and you have a perfect escape.
