## Palma de Mallorca Area Information

Historical Capital with Gothic Architecture □ A city by the Sea

Palma is the Capital of Mallorca and its colourful cobbled streets are absolutely steeped in history. As an island, Mallorca has been subject to numerous invasions, conquests throughout its history and was home to the Romans, then the Moors and was finally conquered in 1229 by King Jaime 1st of Spain and has remained under Spanish rule since then.

The skyline of the City is dominated by the impressive Gothic Cathedral which was commissioned by King James 1st after arriving safely on the island and defeating the Arabs and in the streets behind the cathedral you will find many artefacts of Arabic Rule.
